THE BICYCLE CAPITAL OF THE WORLD!

PECB CONFERENCE 2024

30 September – 3 October | Amsterdam, Netherlands
Van der Valk Hotel Breukelen

Empower Your Potential:
PECB Conference 2024

Join us at the PECB Conference 2024, the main annual gathering where we bring together experts and thought leaders from around the world to discuss the latest trends and challenges in the field of Information Technology, Security, and Privacy. With topics surrounding Cybersecurity, Data Protection, Artificial Intelligence, EU AI Act, and much more, you will gain valuable insights and connect with C-level professionals and experts.

This year, this exclusive event will take place in the enchanting city of Amsterdam, in the prestigious Van der Valk Hotel Breukelen! This four-day event, scheduled for **30 September–3 October**, promises to be an immersive journey, featuring enlightening panel discussions, groundbreaking insights, invaluable networking opportunities, and talks, coming to you from a vibrant mix of speakers from all over the world. In addition to engaging panel sessions and discussions from industry experts, this year's conference brings a fresh perspective with a variety of dynamic workshops.

During the conference, we will launch two new exclusive Pre-Conference Training courses, in blended format, where the first two days will take place online from **16–17 September**, followed by in-person classes in Amsterdam from **30 September–1 October**.
